Exhibit 1

IN THE UNITED STATES DISTRICT COURT
FOR THE MIDDLE DISTRICT OF PENNSYLVANIA

KENNETH MURCHISON,

Plaintiff

CIVIL ACTION NO. 3:CV-11-2285

vs.

BRAIN BLEDSOE, et al.,

Defendants

DECLARATION OF MICHAEL S. ROMANO

1. I am currently employed by the Federal Bureau of Prisons (hereafter "BOP"), and assigned to the United States Penitentiary, Lewisburg, PA (hereafter "USP Lewisburg"). I began employment with the BOP in 1991 as a Correctional Officer and was in that capacity through 2000. I returned to the Bureau of Prisons in May, 2006, as an Attorney Advisor. I remain in the capacity of Attorney Advisor assigned to USP Lewisburg. As a part of my duties and responsibilities, I have access to inmates' records, electronic data maintained on the BOP's SENTRY computer system, Administrative Remedy data, BOP Program Statements, and PACER. I certify that the Attachments referenced herein are true and accurate to the best of my knowledge.

2. The Plaintiff is a federal inmate who is assigned to USP Lewisburg. The Plaintiff is a state inmate confined in the United States Penitentiary (USP), Lewisburg. He is serving a sentence of 18 years imposed by the state of North Dakota for conspiracy to distribute a controlled substance and simple assault. He has a projected release date of December 17, 2017, via good conduct time release. See Public Information for Plaintiff

3. The BOP has established an administrative remedy procedure with respect to inmate complaints, found at 28 C.F.R. § 542.10, *et seq.* Inmates are to informally present their complaints to the staff and the staff is to attempt to resolve the matter. 28 C.F.R. § 542.13(a). If the informal resolution is unsuccessful, the inmate is then to execute the appropriate form to bring the matter to the attention of the Warden within twenty (20) calendar days of the complained about event. 28 C.F.R. § 542.14. The Warden is then to respond to the inmate's complaint within twenty (20) calendar days. 28 C.F.R. § 542.18.

4. If an inmate is dissatisfied with the Warden's response, he may then appeal to the Regional Director within twenty (20) calendar days. 28 C.F.R. § 542.15(a). If the response of the Regional Director is not satisfactory, the inmate may then appeal to the Central Office of the Federal Bureau of Prisons within thirty (30) calendar days, which office is the final administrative appeal in the Bureau of Prisons. *Id.* An exception is made for appeals of Discipline Hearing Officer ("DHO") decisions, which are first raised directly to the Regional Office level and then to the Central Office level. 28 C.F.R. § 542.14(d)(4).

5. If a remedy is rejected, it is returned to the inmate and the inmate is provided with a written notice explaining the reason for rejection. A copy of the remedy is not maintained by the Bureau of Prisons. 28 C.F.R. § 542.17(a). Accordingly, an inmate has not exhausted all available remedies to enable him to file suit in federal district court until the complaint has been filed at all levels of the process and has been denied at all levels prior to filing suit.

6. A review of the SENTRY computer generated Administrative Remedy Generalized Retrieval was performed on December 18, 2012. The results revealed Petitioner has filed 123 remedies. The search was then limited to May 1, 2011 through December 17, 2012, and remedies filed at the national level (reflected by an "A" in the Remedy level field in on the cover/search parameters filed). The search yielded 36 results. A review of the results revealed 31 of the remedies filed at the national level were rejected.

~~The following remedies were not rejected but pertained to different issues:~~

Remedy No. 645058-A2 (page 4): the abstract field reflects the issue addressed pertained to his placement in the SMU program (denied)

Remedy No. 648317-A1 (page 8): the abstract field reflects the issue addressed pertained to a DHO challenge. (denied)

Remedy No. 674215-A2 (page 14): the abstract field reflects the issue addressed pertained to legal mail (denied)

Remedy No. 682886-A1 (page 16): the abstract field reflects the issue pertained to a request to be placed in a state correctional facility (still pending)

Remedy No. 701379-A1 (page 17): the abstract field reflects the issue addressed a challenge to being placed in the SMU program.

See SENTRY Administrative Remedy Generalized Retrieval Record

7. Plaintiff has an extensive disciplinary history that includes fighting, threatening bodily harm, assault, setting a fire, possession of a weapon and possession of intoxicants.

See SENTRY Discipline Data

8. Murchison arrived at USP Lewisburg on May 16, 2011. He became disruptive directly upon his arrival (at approximately 4:10pm). Specifically, staff was removing Murchison's hand restraints when he pulled away from staff in an aggressive manner causing injury to the staff member's hand. Murchison then refused to submit to hand restraints and threatened staff. The Warden was contacted due to Murchison's disruptive behavior. Warden Bledsoe authorized a use of force team to be assembled to place Murchison in ambulatory restraints.

9. At approximately 5:17pm the use of force team was assembled and confrontational avoidance procedures were initiated with positive results. Murchison then submitted to hand restraints. As Murchison was removed from the cell he intentionally threw himself on the floor and refused staff orders to walk. Prior to placement on a gurney he was searched and put into new clothing. Murchison continued to threaten staff and resist being transported. He bit one staff member and spat on another while being moved on the gurney. The team placed Murchison on the floor to regain control of him. The Operations Lieutenant was notified of the situation and authorized Lt. Seeba (defendant in this case) to place Murchison directly into four point restraints. Murchison was then moved to cell #24 in the basement of Z-Block and placed in 4 point restraints. See Form 583, Report of Incident Significant Incident LEW-11-0410 dated May 16, 2011; video for May 16, 2011 use of force

10. Two Incident Reports (IR. #2163627 and IR #2163617) relating to the May 16, 2011 incident were written by staff who are not defendants in this case. No good conduct time was taken in either instance. **See IR. #2163627 and IR #2163617; Inmate Discipline data**

11. An after action review of the incident was performed. The reviewing officials are not defendants in this case. The review concluded that the use of force/restraints were reasonable and appropriate. Plaintiff was only in restraints from 5:20 pm on May 16, 2011 through 2:00pm on May 18, 2011 (less than 48 hours). **See Form 586 After Action Review for**

Significant Incident LEW-11-0410

12. May 17, 2011: The Operation's Lieutenant and the on duty Paramedic (Defendant L. Potter) were checking Murchison's restraints at approximately 12:00am. Potter was checking the restraints when inmate Murchison spat in his face and became verbally aggressive. Staff exited the cell and re-entered with a shield. Murchison was a diabetic and Potter checked his blood glucose level which was noted as 224. **See Form 583, Report of Incident for May 17, 2011 (Incident # LEW 11-414), video for May 17, 2011.**

13. Potter wrote Plaintiff an incident report for assault and threatening (IR No. 2163807). No good conduct time was taken as a result of the incident report.

See IR. No. 2163807; Inmate Discipline Record

May 16-18-2011, Two Hour Lieutenant restraint checks

14. A review of the Two Hour Lieutenant check records for May 16-18, 2011, reveals Lt. Seeba (Defendant) only checked Murchison's restraints one time. Seeba checked the restraints on May 17, 2011 at 8:00pm. His notes indicate Murchison refused to use the toilet and refused the offer of water. Seeba also noted that Murchison stated "I don't want nothing from you cracker" and that he was still agitated with a poor attitude.

A May 16, 2011, 8:00pm by a lieutenant who is not a defendant in this case noted that

Murchison drank 8 oz of water, was still in an agitated state and stated he is not afraid to kill people.

A May 16, 2011, 10:00pm check by a lieutenant who is not a defendant in this case noted that

Murchison drank 8 oz of water and ate one sandwich. Also noted that the inmate stated this place is fucked up and he still had a bad attitude.

A May 17, 2011, 2:00am check by a lieutenant who is not a defendant in this case noted that

Murchison continued to threaten all staff with bodily harm. Murchison also threatened to find staff after he was released and kill us. Also noted that water was offered and refused. Other entries of May 17, 2011 by other lieutenants reflected a continued poor attitude and aggressive behavior.

A May 17, 2011, 4:00pm entry reflected Murchison drank 8 oz of water and ate one sandwich.

He drank 8 oz of water at 6pm and refused water/toilet at 8pm.

On May 18, 2011, Murchison was downgraded to ambulatory restraints at 9:00am. A 2pm entry reflects he regained control and was released from restraints.

See Two Hour Lieutenant Checks May 16-18, 2011

15. On June 17, 2012, Murchison and his cell mate refused to return their food trays and displayed imminent violence by threatening to assault each other or kill staff if they were not immediately removed from their cell and separated. Warden Thomas was notified and authorized a use of force team to be assembled and to place both inmates in ambulatory restraints. At approximately 7:44 am a use of force team was assembled and confrontation

avoidance procedures were initiated with positive results. Defendant Lt. Sherman was the use of force Lieutenant. Defendant Metzger was the confrontational avoidance person and had no role in physically moving Murchison. Murchison was removed from the cell, searched, placed in

~~new clothes; medically assessed and put into ambulatory restraints. A review of the video reveals~~

Murchison submitted to restraints. The Use of Force Team escorted him to the shower area

(Murchison walked on his own), searched him and changed him into new clothes. He was

~~medically assessed. While waiting to be moved to a cell Murchison complained that the belly~~

chain was excessively tight and that he couldn't breathe. Murchison can be heard talking at

length without any indication of difficulty breathing or talking. Murchison repeatedly stated that

his rights were being violated while being placed in restraints and while being escorted,

threatened to sue everyone. The Team then escorted him to D Block, cell 101 (again, Murchison

walks on his own), placed him in the cell on the lower bunk. The team can then be seen exiting

the cell.

See Form 583, Report of Incident (Incident # LEW 12-431); video of June 17, 2012

16. Murchison was written an incident report for Interfering with a security device; threatening; and refusing an order (IR #2316445). A DHO hearing was later held with no good conduct time being taken. **See Incident Report #2316445; Inmate Discipline History**

17. Murchison was in restraints from 8:15am on June 17, 2012 through June 18, 2012 at 9:30am (a little over 24 hours). He medically assessed following the incident and regular checks were made by health care providers throughout the time he was in restraints. None of the defendants performed health care checks. Regular 15 minute checks were made by staff and regular two hour checks were made by a lieutenant. An after action review was performed and

concluded the use of force/restraints was reasonable and appropriate.

See Form 586, After Action Review, for Incident # LEW-12-0431; BOP Clinical Encounter

dated June 17, 2012; Health Services Restraint Review Forms dated June 17-18, 2012; 15

~~minute check records for June 17-18, 2012; Two Hour Lieutenant Checks~~

18. BOP Program Statement 5566.06, Use of Force and Application of Restraints and related CFR parts provide the policy for use of force and application of restraints. Staff are authorized to apply physical restraints necessary to gain control of an inmate who appears to be dangerous because the inmate:

- a. assaults another individual;
- b. destroys government property;
- c. attempts suicide;
- d. inflict injury upon self; or
- e. becomes violent or displays signs of imminent violence

See Page 1, purpose and scope

The policy also provides that there are two types of use of force: immediate use of force and calculated use of force. Policy provides that a calculated use of force is appropriate when an inmate is making verbal threats.

See pages 3-4, types of force; page 4 Circumstances

Principles governing the use of force and application of restraints:

Policy provides that an appropriate amount of force may be warranted to situations (not limited to) that are necessary to enforce institutional regulations:

See page 6

Progressive and ambulatory restraints

Policy also provides that progressive restraints are defined as the process of using the least restrictive restraints method to control the inmate as deemed necessary for the situation. Based on the inmate's behavior, more restrictive restraints may be used. Policy further provides that if an inmate is placed in restraints for a prolonged period that staff should look for a pattern of non-disruptive behavior over a period of time as an indication that the inmate has regained self-control and is no longer a disruptive threat. The 15 minute and two hour logs should be reviewed to support any decision concerning the release of an inmate in restraints. In situations where the need for more restrictive or secure restraints is necessary (ie the inmate's behavior becomes increasingly aggressive and disruptive, staff must determine the type of restraints to be used, including the use of four point restraints).

In situations involving highly assaultive and aggressive inmates, progressive restraints should be used only as an intermediate measure in placing the inmate in or removing an inmate from four-point restraints. Inmates in four point restraints will be checked by a lieutenant every 2 hours to determine if the inmate has regained a pattern of non-disruptive behavior over a period of time that would indicate the inmate has regained self-control and is no longer a disruptive threat. The lieutenant should use the 15 minute and two hour checks in making the determination whether the inmate has regained a pattern of self-control and may be released from restraints. During the two hour checks the inmate will be afforded the opportunity to use the toilet, unless the inmate is continuing to actively resist.

See page 11-13

See PS 5566.06 Use of Force and Application of Restraints

I declare under penalty of perjury pursuant to 28, United States Code, Section 1746, that the foregoing is true and correct to the best of my knowledge, information, and belief.

Executed this 3rd day of January, 2013.

Section 6: Description of Incident

DESCRIPTION OF INCIDENT (If Use Of Force, include details such as name of supervisor applying the chemical agent and/or restraints, reasons for use of hard restraints instead of soft restraints, etc.) Please be clear about cause(s) of the incident in your description.

On May 16, 2011, at approximately 4:10 p.m., inmate Murchison, Kenneth #06500-059, became disruptive in R&D, directly upon his arrival to USP Lewisburg. Specifically, in the process of removing hand restraints in R&D holding cell #3, inmate Murchison pulled away from staff in an aggressive manner, injuring the staff members hand. Inmate Murchison then refused to submit to hand restraints and threatened staff. Due to inmate Murchison's disruptive behavior and signs of imminent violence, the Warden was notified and authorized a Use of Force Team be assembled to place inmate Murchison in Ambulatory Restraints. At approximately 5:17 p.m., a Use of Force Team was assembled and confrontation avoidance procedures were initiated with positive results. Immediately after exiting the holding cell, inmate Murchison intentionally dropped to the floor and refused staff orders to walk. Prior to his placement on a gurney for transport, inmate Murchison was visually searched, metal detected, and provided new clothing. Immediately upon carrying inmate Murchison on the gurney, he again began to threaten staff and impede staff from the transport. At this time, inmate Murchison bit a Force Cell Move Team Member and attempted to spit on another. He was placed on the floor in the R&D hallway. At this time, the Operation's Lieutenant was notified of the situation and directed the Force Cell Move Lieutenant to place inmate Murchison in 4-Point Restraints in the Z-Block Basement, cell #024. Upon inmate Murchison's placement in 4-Point Restraints, he was medically assessed, sustaining no injuries. Two staff members were medically assessed as a result of inmate Murchison pulling away from one, and biting another. The staff members sustained minor injuries.

On May 17, 2011, at approximately 12:00 a.m., inmate Murchison, Kenneth #06500-059, became disruptive in Z-Block, cell #024, by assaulting staff. Specifically, due to inmate Murchison being in four-point restraints, the Operations Lieutenant, the on duty Paramedic, and other staff were conducting a restraint check, when inmate Murchison acted in an aggressive manner and spit on the Paramedic, striking him in the face. Inmate Murchison continued to display signs of imminent violence, and continued making threatening comments towards staff. The Operations Lieutenant ordered staff to exit the cell in order to retrieve a shield. With a shield present, the Operations Lieutenant, the on duty Paramedic, and other staff re-entered the cell, and conducted the restraint check. Inmate Murchison was medically assessed, with no injuries. The Paramedic was medically assessed as a result of inmate Murchison spitting on him. The staff member did not sustain any injuries.

On the above date and approx. time I was attempting to check I/M Murchison 06500-059 in four point restraints. As I bent down to check his wrist restraint I/M Murchison spit at me striking me in the face and chest. I/M Murchison then became verbally aggressive and threatening towards staff. Stating "I got you mother fucker. [and] I'm going to get one of you fuckers every chance I get." I departed the cell and after about 15 minutes custody staff returned with a shield. I re-entered the cell and checked I/M Murchison's blood sugar. I/M Murchison is an Insulin dependent diabetic and there is no medical coverage during the MW hours and this was necessary to ensure I/M Murchison's health. During this check I/M Murchison continued to threaten staff with violence stating "I get out in seven months and I'll come back and see you again."
